# LRT3 获九成市民支持

## 总结民意敲定路线

(吉隆坡 4 日讯) 轻快铁路线 3 (LRT3) 公开展示会已于上月结束，目前国家基建公司正在整理民众的回馈意见和总结，以便提呈予陆路工程委员会 (SPAD)，以定夺轻快铁的路线。

### 了解市民反对原因

国家基建公司集团总执行长拿督阿兹米阿都阿兹指出，90% 的民众支持轻快铁路线 3，只有 10% 人反对，该公司将会安排人员接触反对者，以进一步了解反对的原因。

他指出，早前该公司已鉴定数个有问题的“热点区”，包括万达镇及巴生，并提供数个选项予当地居民，以减低对他们造成的影响。

他今日出席该公司宣布委任马资源 (MRCB) 及乔治肯特 (马来西亚) 有限公司 (George Kent Berhad) 为轻快铁 3 路线 (LRT3) 的工程伙伴的记者会时这么说。

### 轻快铁路线 3 有待敲定。

他说，当局将和地方政府配合，以便接触相关地区的居民，尽可能减低工程对居民造成的冲击。

“不过不免有民众‘做梦’，认为要有轻快铁，却不愿有轻快铁路线经过他们的住家，这不但发生在我国，其他国家发展工程也会遇上此情况。”

无论如何，他说，

这是一个学习的机会，以便从中吸取经验，有利于将来进行的工程。

### 建竣惠及 200 万人

他说，一旦该轻快铁工程完成将会惠及路线一带逾 200 万人，从中提供大众另一项公共交通工具的选择，同时解决巴生谷塞车问题。

“根据计划，未来一些轻快车站也将设有

店铺，以鼓励公众乘搭公交，并于 2030 年达到 40% 公共交通使用量的目标。”

出席者包括该公司主席丹斯里伊斯迈阿当、乔治肯特 (马来西亚) 有限公司总监拿督巴杜卡柯依鲁、马资源集团董事经理丹斯里莫哈末沙林和国家基建轨道和基础设施工程总执行长佐哈里苏莱曼。

阿兹米：国家基建公司正总结民众的回馈。

## **Summary:**

### **Decision on LRT 3 Route**

Kuala Lumpur, 4 September 2015 -Prasarana President and CEO Dato' Azmi Abdul Aziz said that 90% of the public support the decision on LRT3 route, only 10% against it. The company will make arrangements to meet up with those who against it in order to find out the reason for the objections.

He mentioned that a number of problematic "hotspots" in the early stage have been identified, including Bandar Utama and Klang. Prasarana has proposed several alternatives so as to minimise the social impact.

However, he mentioned that it is inevitable that there are people who wanted to have the LRT system, but do not want to have the railway line to pass by their homes. This doesn't only happen in our country, but other countries. However, he said this is a chance for them to learn and gain experience for many other future projects.

He said that once the LRT project has completed, it will benefit more than two million people along the route; providing the mass another choice of public transportation, while minimising congestion issue in the Klang Valley region.

According to Dato' Azmi, commercial businesses will set up in these LRT stations in order to encourage public to take public transport while helping to meet the national target of 40% public transportation use target by 2030.

Attendees of the media conference included the Prasarana Group Chairman, Tan Sri Ismail Adam, George Kent Director, Dato' Paduka Dr. Ir. Hj. Keizrul Abdullah, MRCB Group Managing Director, Tan Sri Mohamad Salim Fateh Din and Prasarana Group Director of Project Development, Dato' Zohari Sulaiman.
