## Strong 1Q for George Kent

**GEORGE** Kent (M) Bhd's posted a 52% increase in earnings to RM15.01 million for the first-quarter (1Q) ended April 30, 2016, from RM9.87 million in the same period last year. Turnover jumped to RM122.96 million or 108% higher compared to RM59.03 million in the 1Q last year.

In a filing to Bursa Malaysia yesterday, the group said the significant increase in its revenue was driven by the higher contribution from its engineering division.
