

OCCUPATIONAL HEALTH AND SAFETY POLICY

George Kent (Malaysia) Berhad believes that a healthy and safe working environment is a crucial prerequisite for the achievement of GKM's corporate objectives.

Hence, we are committed to:

- 1) Establish suitable and sufficient assessments of risks and opportunities to prevent work-related injuries and ill health among workers.
- 2) Establish a framework to achieve occupational health and safety objectives.
- 3) Ensure full compliance with all legislative and organisational changes.
- 4) Eliminate hazards and reduce occupational health and safety risks to promote a safe and healthy work culture.
- 5) Implement a safety and health management system as well as programmes to ensure continual improvement of work practices.
- 6) Ensure the participation of workers and interested parties through frequent consultations.
